Terms of Use

This Users Agreement (the "Agreement") is based on relevant laws and regulations for protecting the rights and benefits of members and personal information. Amended Users Agreement has been applied from July 18, 2012.

Chapter 1 (General Provision)

Article 1 (Purpose)

The purpose of this Agreement is to set forth the rights, obligations and responsibilities of Jinhak Apply Co., Ltd. (the "Company") in terms of using all the
I agree to the terms and conditions of The Jinhak. (You must agree with the terms of these agreements)

Privacy Policy

Collection and purpose of use of personal information, items to be collected and collection method

"Personal information" is the information regarding living individuals and information which can identify specific individual (including the cases where such information combined with other information can identify such individual even though such individual cannot be identified by such information only). The company will not disclose personal information of the users without prior consent of such user and, collect and use the following personal information depending on specific purpose:

1) Member management

* Required information: name, birth date, mobile phone number(in koreans case), email address, ID, password,

(in cases that a person under 14 joins membership, the name, birth date and mobile phone number of its parents will be collected)

Retention of personal information and period of use

While the users use the services of the site of Company as member, the Company can use personal information of the users only for providing such services and, in cases of withdrawal from membership, such information will be deleted without delay. However, the information acquired in the course of making service of receiving applications will be retained for one (1) year from the date of service use for confirmation of receipt and dispute resolution and such information will be retained separately from the membership information even after completion of membership withdrawal.

1) If necessary for service use and cooperation with investigations by agencies, member information will be retained as follows:

- Retention items: service use record, connection log, cookie, connection IP information

- Retention ground: prevention of service confusion, cooperation with investigative agencies

I agree to the provision and use of personal information. (You must agree with the terms of these agreements)
