# YONSEI UNIVERSITY

Global Prestigious  
Yonsei University

## About Yonsei University

Yonsei University currently has 3 different campus. Seoul, Wonju and international campus. There are total of 26,000 students and 5,000 faculties.

Yonsei University is currently ranked 98th under CWUR, 20th among world private universities and 1st among Asia private universities.

Yonsei University is known for convergence and specialization education. The university creates a synergy effect through Inter-Campus transfer, dual major for graduates and under-graduates, and provides linkage between bachelor and master program.

## About Wonju Campus

Yonsei University Wonju Campus was founded in 1977 as an auxiliary campus to Seoul Campus. As of 2015, the campus has over 8,100 undergraduates, 1,110 graduate students and 530 faculty members.

## Wonju Campus

a specialized university focused on education & research

### Faculty with a worldwide reputation

One of the highest level of research funds for each professor

### Alumni Status

Nation's highest employment rate and production of outstanding individuals

Employment at the 13 public institutions in Wonju Innovation City through the local quota system

Production of the highest number of university professors and research manpower in the field of health and medical treatment

Operation of an outstanding career program

- Full financial support for student employment (approximately 10 billion won a year)
- Employment support and training programs, and the 300-thousand Yonsei Alumni network

### Exchange Student Program

Exchange agreements with approximately 670 universities in 70 countries, and recognition of credits earned during the exchange period as Yonsei school credits

### Sophisticated Culture

Orientations and festivals free of alcohol, unsupervised exams, and house programs within the dormitory

### State-of-the-art Education Facilities

Numerous convenience facilities, including a bank, bookstore, and convenience stores

Sports center with the latest sports facilities, including an indoor swimming pool, gym, and a golf practice range

### Dormitory with the Best Eco-friendly Facilities in Korea

Wonju Campus, which is equipped with the best dormitory facilities in the country that can accommodate most of the students applicants, introduced the Residential Colloquia Program, a dorm education program, in 2007 for the first time in Korea, and foreign students are given priority in the assignment of rooms.

### Wonju Campus, now even closer to the capital area

Wonju Campus, located in the middle of Korea

Seoul-Wonju (35 mins by KTX, 52 minutes by the 2nd Yeongdong Expressway, and 60 minutes by train)

Incheon-Wonju (60 minutes by KTX)

# Global Elite Division

Korean Culture · Business

Global Elite Division is a new division that strives to educate and construct network for foreigners and overseas Koreans, giving them opportunity to be successful in the world.

## 01 Goals

- Seeking global culture brand in Korean language, culture, history, philosophy, art, religion and cultivating global talent
- Searching for core value in the future industry from binding Korean culture and business management
- Understanding the diversity of culture and leadership will allow students to become effective in communication

## 02 Core Value

- Locality, Globalization, Cultural Communication, Challenge
- Become the regional expert through learn Korean language and social culture
- Teaches skills in international cultural administration and Korean values
- Understands and minimize the gaps between different cultures

## 03 Characteristics

- Students can enroll without TOPIK scores
- Korean language classes for first two years
- Prepares students for level 4 TOPIK before graduation
- If student takes 36 credits for basic courses & 18 credits for advanced courses, then he/she will get bachelor's degree in Korean culture and business
- From first semester of the 3rd year students will gain their second major after 21 self-planning major credits
- There are foreign excellency scholarship and Korean language scholarship
- Have priority in applying for student dormitory for 4 years
- Provide exchange student program (U.S.) to qualified applicant
- Many on-site cultural experience
- Relatively easier requirement for graduation

# EastAsia International College

EastAsia Politics and Culture  
EastAsia Economy and Business

EastAsia International College (EIC) was founded by Yonsei University's Wonju campus in 2008 as a special program to develop professionals to play leading roles in the global age of the 21st century. Offering courses exclusively in English, EIC has two major tracks of study - East Asian Politics and Culture and East Asian Economy and Business. During their first two years, students take courses in the liberal arts to fulfill general education requirements while during their third and fourth years, they take courses in their major fields. Students are also required to study an East Asian foreign language, which is Chinese, Japanese, or Russian. Other activities students may pursue include studying in foreign countries and working as interns in leading companies and organizations.

## 01 Contact

E-mail sherbsy@yonsei.ac.kr, Tel 82-33-760-2347

## Institute for International Education Korean Language

### Institute for International Education Korean Language Guide

In Institute for International Education, foreigners are recommended to take graded Korean language education program through interview. Each class includes about 12 students for effective studying effect. Most students achieve TOPIK level 3 after 6~12 months of education.

## 01 Institute for International Education expenses

1,500,000won [8~10 weeks(200 hours)/1 semester], if one took Korean education for more than 2 semesters then admitted to an undergraduate program, scholarship is granted depending on the level of TOPIK. (After 4 semester – level 6 or higher 1/2 of scholarship for a year, after 2 semester – level 5 or above 1/2 scholarship for a semester, after 2 semester – level 4 or above, 1/3 scholarship, and for those who completed more than 2 semester full amount of admission fee.

## 02 All students who has completed Korean language is eligible to live in the student dorm.

04 The Review and Decision Processes

※ Please refer to the application guide on the website of Yonsei University Admissions of Wonju.

A. Successful applicants will be selected through a comprehensive evaluation on the Middle and High School Transcripts(Middle school records will be referred on the basis of high school records), Personal Statement, International High School Standards Assessment Materials(高考 · AP · SAT etc.), Awards, Certifications, Documents for Language Skills, Profile of Previous School(s), Recommendation Letters(EIC Applicants must submit). But the applicant will be able to be selected for interview if he or she needs to be confirmed his or her submitted documents with the Office of Admission.

B. Premedical School Applicants & The applicants who have completed oversea middle and high school

Rounds	Application	Interview	Test Method
Round 1	100%	-	Applicants will be selected for an interview through a comprehensive evaluation on the Middle and High School Transcripts(Middle school records will be referred on the basis of high school records), Personal Statement, International High School Standards Assessment Materials(高考 · AP · SAT etc.), Awards, Certifications, Documents for Language Skills, Profile of Previous School(s), Recommendation Letters.
Round 2	60%	40%	The final enrollment will be selected as a result of total sum of both examination (application and interviews). If an applicant does not participate in the interview, the applicant will be regarded as a dropout.

05 Enrollment Information in Accordance with Korean Language Proficiency

A. Korean Language Proficiency Certificate Documents

1) All applicant(Both the applicant and the applicant's parents are of non-Korean nationality / The applicant who has lived abroad with parents has completed more than 3 years of middle school and high school courses including 1 year in high school course from abroad) must submit level 3 or higher in Korean language proficiency test which Yonsei University Wonju Campus recognized before coming semester[TOPIK, Yonsei University Korean Language Center Korean Language Proficiency Test (Certificate of Completion), Yonsei University Wonju Campus Korean Language Course (Certificate of Completion)].

※ If you submit a certificate of Korean language course at level 3 or higher, you must submit a certificate of completion before enrollment.

※ Applicants of Premedical school completed and passed level 6.

※ Applicants who apply for EIC, Global Elite Division do not need to submit TOPIK or Korean language proficiency test score.

※ For its specialty, students of Premedical school are obliged to take given courses at specific semesters. The students must acquire Level 6 or better grade at Korean language Proficiency Test in order to take regular courses. Thus, the students who do not meet this standard must take a semester off (a leave of absence), acquire Level 6 or better grade at Korean language Proficiency Test and return to the school to take the regular courses.

B. Enrollment Information in Accordance with Korean Language Proficiency

1) Starting in March 2017, students who have completed Korean language proficiency (level 3 or higher) will be able to enroll in the same way as regular students.
